Update from Ralph & Carrie Peters, Global Workers with CLIMB

Hi friends, here's a quick update on how things are coming along for our move to Germany, where we'll be giving interim pastoral leadership to a church in the region (Emmaus Church, Forchheim), as well as being involved with the church planting department (GGW) of the BFP (Bund Freikirchlicher Pfingstgemeinden, sister denomination to the Pentecostal Assemblies of Canada), helping with the mentoring and training of a new generation of church planters. From Germany we'll also continue our ministry to our CLIMB partners, world-wide.

This past week we were able to find a flat for the 8 months of every year (January – August) that we will be living in Germany. We are very thankful and see the Hand of God all over this arrangement. We will be renting the bottom floor of the house in the adjacent picture. The owner lives on the middle floor with other renters living on the top floor.

*Please continue to pray that our townhouse in Abbotsford will sell. It will take a miracle in this market. We believe in miracles!

If you would like to contribute to our moving and set up expenses in Germany we would appreciate this very much. Please use the methods for giving on the card below or go to our website (www.ClimbIntercultural.org) where secure online giving through PayPal is offered. We welcome monthly financial commitments and are very thankful for those who continue to commit themselves in this way. All gifts are tax-deductible.

In Jesus,
 Ralph & Carrie
