

2010 Treasurer Report

John Clish

Well we as a church sure have started the new decade out with a purpose. The 30-year dream of our church expanding into a Community Service outreach is beginning to come to fruition. It's quite exciting seeing the old Sanctuary being transformed into our multipurpose Gymnasium room, maximizing the use of the space and outreach possibilities.

I thank God and each and every one of you in your giving as we continue on this journey started more than 30 years ago. Your tithing and offerings are so appreciated and necessary. Through your giving so much has been accomplished and yet there is so much more to do.

I pray to God for each and every one of you that he may continue to grant you with the resources, in order to further accomplish the dream, as we continue to service the debt and our other financial responsibilities.

God Bless,
John Clish
